

PerformX

PERFORMANCE THAT SCALES

Brand Identity Guide · Logo System, Colour & Visual Language

PRIMARY LOGO

The master lockup. Use wherever space allows and brand presence matters most.

Use on black or very dark backgrounds only.

ICON / MARK ONLY

The PX mark. For app icons, social avatars, favicons and small-space placements.

Large Medium Small

Keep the rounded container on app and profile uses; min size 24 px.

ALTERNATE WORDMARK

Type-only version for headers, documents and placements where the mark already appears.

Never recolour 'Perform'; only the X carries the gradient.

HORIZONTAL LOGO — STACKED TAGLINE

Mark + divider + wordmark with tagline beneath. Website headers, email signatures, decks.

Best for wide placements with limited height.

HORIZONTAL LOGO — SIDE TAGLINE

Mark + wordmark with tagline set to the right. Banners, footers, event backdrops.

Use when the space is very wide and shallow.

COLOUR VARIATION — GRADIENT ON DARK

Default full-colour version on black.

PerformX

PERFORMANCE THAT SCALES

Primary choice for all dark surfaces.

COLOUR VARIATION — MONO WHITE

Single-colour white. For photography, busy backgrounds or one-colour print.

PerformX

PERFORMANCE THAT SCALES

Use when the gradient would lose contrast.

COLOUR VARIATION — GRADIENT ON MIDNIGHT

Full-colour version on the deep navy brand surface.

PerformX

PERFORMANCE THAT SCALES

For ads, social creatives and slides with a navy base.

LIGHT BACKGROUND — GRADIENT

Full-colour version for white and light surfaces.

PerformX

PERFORMANCE THAT SCALES

Wordmark switches to near-black; the X and tagline keep the gradient.

LIGHT BACKGROUND — MONO BLACK

Single-colour black for documents, invoices, stamps and black-and-white print.

PerformX

PERFORMANCE THAT SCALES

Use when colour printing is unavailable.

GRADIENT PALETTE

Violet to sky blue — the signature PerformX gradient, flowing left to right.

Ultra Violet
#7415FD
RGB 116 21 253

Electric Purple
#A838FD
RGB 168 56 253

Signal Blue
#3D5BFD
RGB 61 91 253

Azure
#0A94FD
RGB 10 148 253

Sky Cyan
#36C2FE
RGB 54 194 254

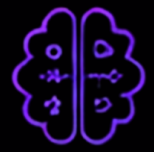

Base colours: Black #010002 · White #FFFFFF

Typeface: geometric sans (Poppins used here) — Medium for wordmark, Light for body

Always run the gradient violet blue. Do not reverse or add other hues.

BRAND VIBES

The personality behind every PerformX touchpoint.
